Dear Hiring Manager

I am applying for the psychiatric nursing position you advertised on the Interior Health room to grow website. I believe my qualifications and experience will make me an ideal candidate for this job.

I recently graduated from the Regional Diploma in Psychiatric Nursing at Stenberg College. My interim license starts on April 10th 2015 and my registration exam is on the 20th of May 2015. I have completed over 1000 hours of practicum experience with a range of placements from geriatrics, medical/surgical, acute psychiatry and community mental health. My last two practicums were completed in community mental health, one on the Crisis Response Team in Penticton and the last one on Seniors Mental Health and Adult Community Support Service in Vernon.

I have excellent communication, organization and leadership skills. My knowledge and skill set from working as a Paramedic for the last 3 years has helped me fine tune my assessment and critical thinking skills. I am reliable, flexible and able to work well under pressure. If given the opportunity to work on your team I will optimize my skills to provide the best care for my patients.

Enclosed with this letter you will find my resume containing additional details about my professional experience, as well as a letter of reference from my main clinical instructor. I hope you consider me for this position and I look forward to hearing back from you for an interview. Please feel free to contact me at 250-869-7580 or send an email to my email ID. Thank you for your attention.

Sincerely

Kristina Day
