

Appendix 1: STENBERG COLLEGE

REGIONAL DIPLOMA IN PSYCHIATRIC NURSING

Course Code & Name: NURS 212-6 Medical/Surgical Nursing Practice -
Clinical

Student Clinical Evaluation Form

Student Kristina Day

Preceptor Donna Lessard

Clinical Area 4w

Hospital KGH

Cohort 0513 Okanagan

Evaluation: [] Mid-term [] Final

Circle one: RDPN or RDPNA

Please evaluate the student's performance of each clinical competency.
Where it was not possible for the student to be exposed to the specific learning situation(s)
where the competency might be learned, please record as not available.

2nd Year: Clinical placement 1.

Pass Makes decisions and initiate actions with appropriate level of support and direction. Provides safe care. Displays appropriate level of confidence (or higher).

Fail Is unable to make any decisions or initiate actions, even with appropriate level of support. And/or requires continuous verbal and frequent physical directives. And/or does not practice in a safe or accurate manner. Coordination and efficiency.

Please use the space on the last page for additional comments.

Clinical Competency

Level of Performance

Mid Point Int.

Final Int.

	Std.	Inst.	Std.	Inst.
Utilizes the Nursing Process				
1.01 Takes a Nursing History	WIP	DL	S	DL
1.02 Uses resource information appropriately	S	DL	S	DL
1.03 Makes pertinent observations	S	DL	S	DL
1.04 Assesses mental and physical status	S	DL	S	DL
1.05 identifies and prioritizes individual client needs	WIP	DL	S	DL
1.06 Prepares a nursing care plan with measurable, realistic behavioural goals based on Identified actual and potential client problems	WIP	DL	WIP	DL
1.07 Involves the client/family whenever feasible in planning nursing care	WIP	DL	S	DL
1.08 Implements nursing care actions to promote goal attainment	WIP	DL	S	DL
1.09 Evaluates effectiveness of nursing actions against stated goals and problems	WIP	DL	S	DL
1.10 Revises nursing care plans	WIP	DL	S	DL
	-	-	-	-
2. Functions as a Member of the Health Team				
2.01 Understands the roles and functions of other members of the health team	WIP	DL	S	DL
2.02 Communicates the role of the psychiatric nurse to the other members of the health team	S	DL	S	DL
	S	DL	S	DL
2.03 Participates in planning, implementing and evaluating the program	WIP	DL	WIP	DL
2.04 Participates in care conferences	WIP	DL	WIP	DL
2.05 Participates in care conferences with the client included	WIP	DL	WIP	DL
2.06 Collaborates with other members of the health team	S	DL	S	DL
2.07 Participates in the development and implementation of the philosophy and objectives of the unit	-	-	-	-
	WIP	DL	S	DL
2.08 Participates in planning the resolution of ethical dilemmas	WIP	DL	N/A	DL
3. Performs Basic Nursing Procedures				
3.01 Provides a safe environment	S	DL	S	DL
3.02 Measures vital signs including neuron-vitals	S	DL	S	DL
3.03 implements seizure precautions	WIP	DL	NA	DL
3.04 inserts oral airway	WIP	DL	LAB	DL

3.05 Performs suctioning technique	WIP	DL	S	DL
3.06 Carries out Cardio-pulmonary resuscitation	S	DL	S	DL
3.07 Administers oxygen therapy	S	DL	S	DL
3.08 Assists client with coughing and deep breathing exercises	S	DL	S	DL
3.09 Maintains established intravenous lines	S	DL	S	DL
3.10 Inserts nasal-gastric tubes	WIP	DL	S	DL
3.11 Administers gastric feedings	WIP	DL	S	DL
3.12 Feeds clients when necessary	WIP	DL	S	DL
3.13 Assists clients to maintain hygiene	S	DL	S	DL
3.14 Assists client to maintain 'normal' body functions	S	DL	S	DL
3.15 Cares for client with drainage e.g. urinary	S	DL	S	DL
3.16 Performs urinary catheterization	S	DL	S	DL
3.17 Administers enemas and suppositories	S	DL	S	DL
3.18 Provides ostomy care	WIP	DL	WIP	DL
3.19 Performs bladder irrigations	S	DL	S	DL
3.20 Transfers and turns clients	S	DL	S	DL
3.21 Safely operates mechanical lifts	WIP	DL	S	DL
3.22 Maintains traction	NA	DL	NA	DL
3.23 Ambulates client	S	DL	S	DL
3.24 Assists client in use of walking equipment	S	DL	S	DL
3.25 Assists client with active and passive exercises	WIP	DL	S	DL
3.26 Demonstrates proper use of body mechanics	S	DL	S	DL
3.27 Position client in optimal body alignment	S	DL	S	DL
3.28 Follows procedures to minimize risk of decubitus ulcers	S	DL	S	DL
3.29 Carries out isolation techniques	S	DL	S	DL
3.30 Performs sterile dressing techniques	S	DL	S	DL
3.31 Applies dressings wet and dry	S	DL	S	DL
3.32 Applies hot and cold compresses	S	DL	S	DL
3.33 Provides cast care	WIP	DL	WIP	DL
3.34 Obtains specimens (except venous and arterial blood, and vaginal specimens)	WIP	DL	S	DL
3.35 Tests urine specimens and capillary blood glucose level	S	DL	S	DL
3.36 Follows policy on admission, transfer and discharge procedure	WIP	DL	S	DL
3.37 Prepares client for diagnostic procedures	S	DL	S	DL
3.38 Prepares client for and assists in ECT	NA	DL	NA	DL
3.39 Cares for client recovering from anesthetic	S	DL	S	DL
3.40 Assists doctors with procedures, e.g. lumbar puncture, IV cut down, gastric gavage etc.		DL	NA	DL
3.41 Cares for the body after death		DL	NA	DL
3.42 Administers oral, rectal, vaginal, topical, intramuscular, intravenous, and subcutaneous medications	S	DL	S	DL

3.43 Instills eye and ear medications	S	OL	S	OL
3.44 Performs procedures related to specific drugs	S	OL	S	OL
3.45 Follows 'control' drug regulations	S	OL	S	OL
3.46 Calculates fractional dosages	S	OL	S	OL
3.47 Assesses need for PRN medication	S	OL	S	OL
3.48 Assesses and recognizes the effects and side effects of drugs	S	OL	S	OL
3.49 Follows established procedures for safe medication administration	S	OL	S	OL
3.50 Uses equipment and materials to provide support and protection,		OL		OL
e.g. restraints	WIP	OL	S	OL
3.51 Operates humidifier	WIP	OL	S	OL
3.52 Operates wheelchairs and stretchers	S	OL	S	OL
3.53 Operates an alternating mattress	WIP	OL	WIP	OL
3.54 Prepares equipment for examination of client	WIP	OL	S	OL
3.55 Ensures safe equipment is available for the client	S	OL	S	OL
3.56 Adheres to universal precautions	S	OL	S	OL
	-	-	-	-
4. Participates in Health Teaching in collaboration with client and family	-	-	-	-
4.01 identifies need for health instruction	WIP	OL	S	OL
4.02 Prepares, implements and evaluates teaching plan	WIP	OL	S	OL
4.03 instructs client and family about health problem and health practices	-	-	-	-
4.04 Utilizes appropriate resources/references for teaching	WIP	OL	S	OL
4.05 Revises teaching and learning care plan based on results of specified evaluative criteria	WIP	OL	S	OL
	-	-	-	-
5. Demonstrates Professional Behaviour	-	-	-	-
5.01 Evaluates own nursing performance	S	OL	S	OL
5.02 Gives evidence of accountability for own nursing performance	S	OL	S	OL
5.03 Seeks help and guidance promptly when unable to perform competently	S	OL	S	OL
5.04 Identifies own learning needs in relation to client care	S	OL	S	OL
5.05 Supports professional goals and standards	S	OL	S	OL
5.06 Maintains confidentiality	S	OL	S	OL
5.07 Contributes to the improvement of nursing practice	S	OL	S	OL
5.08 Functions within the policies and practices of the employing agency	WIP	OL	S	OL

5.09 Recognizes legal implications of actions of self and others	S	DL	S	DL
5.10 Assumes responsibility and demonstrates leadership potential, e.g. ability to assign tasks, establish priorities and organize personal work load	WIP	DL	S	DL
5.11 Assumes responsibility for own professional development and updates skills and knowledge base according to emerging trends and needs of the consumer population	S	DL	S	DL
5.12 Functions as an advocate in supporting client's rights within the health care system	WIP	DL	S	DL
5.13 Identifies social and ethical issues relating to psychiatric nursing practice	NA	DL	NA	DL
	-	-	-	-
6. Demonstrates Therapeutic Use of Self	-	-	-	-
6.01 Recognizes the effect of one's behaviour on others e.g. client/family, staff	S	DL	S	DL
6.02 Understands the dynamics of human behaviour	S	DL	S	DL
6.03 Recognizes and identifies own feelings	S	DL	S	DL
6.04 Recognizes and identifies feelings of others	S	DL	S	DL
6.05 Interprets behaviour of self and others	S	DL	S	DL
6.06 Takes appropriate action in nursing situations	S	DL	S	DL
6.07 During goal-oriented Interactions demonstrates empathy, warmth and respect	S	DL	S	DL
6.08 Demonstrates a non-judgmental attitude	WIP	DL	S	DL
6.09 Utilizes, as appropriate, problem-solving techniques during interactions	S	DL	S	DL
6.10 identifies individuals' communication limitations and utilizes alternative forms of communication as appropriate	S	DL	S	DL
	-	-	-	-
7. Communicates Effectively	-	-	-	-
7.01 Engages In goal-oriented communication (verbal and/or nonverbal)	S	DL	S	DL
7.02 incorporates feedback from client/family and colleagues	S	DL	S	DL
7.03 Gives factual information to client/family	S	DL	S	DL
7.04 Verbalizes observations to appropriate persons	S	DL	S	DL
7.05 Perceives and interprets verbal and non-verbal communication	S	DL	S	DL
7.06 Validates communications with client/family and colleagues	S	DL	S	DL
7.07 Uses appropriate communication channels within the agency	S	DL	S	DL
7.08 Documents observations and psychiatric	S	DL	S	DL

nursing actions on appropriate records	S	SL	S	SL
	-	-	-	-
8. Recognizes Behaviour Patterns in Illness and Health	-	-	-	-
8.01 Demonstrates knowledge of developmental psychology	NA	SL	NA	SL
8.02 Demonstrates knowledge of atypical mental or emotional development	NA	SL	NA	SL
8.03 Demonstrates recognition of socially acceptable behaviour patterns	NA	SL	NA	SL
8.04 Demonstrates recognition of socially unacceptable behaviour patterns	NA	SL	NA	SL
8.05 Keeps current with the classification system of psychopathology contained within the Diagnostic and Statistical Manual (DSM IV, 1994)	NA	SL	NA	SL
8.06 Recognizes the behaviour patterns of consumer population in relation to multi-culturalism	NA	SL	NA	SL
8.07 Employs objective observation and recording techniques	NA	SL	NA	SL
8.08 interprets results of observation	NA	SL	NA	SL
8.09 Recognizes and Interprets the manifestations of emotional and physical states	NA	SL	NA	SL
	-	-	-	-
9. Applies Appropriate Psychiatric Nursing Interventions	-	-	-	-
9.01 Bases nursing interventions upon scientific concepts and principles	NA	SL	NA	SL
9.02 Promotes a therapeutic milieu	NA	SL	NA	SL
9.03 Assists client to utilize resources in the environment to meet identified goals	NA	SL	NA	SL
9.04 Structures environment to promote appropriate sensory stimulation	NA	SL	NA	SL
9.05 Selects and implements psychiatric nursing interventions calculated to be most effective in the management of dysfunctional behaviour patterns, e.g. hostile, acting-out, elopement, suicidal, depressed, psychotic, addictions, suspicious, confused, elated, ritualistic, and anxious	NA	SL	NA	SL
9.06 Uses crisis intervention techniques	NA	SL	NA	SL
9.07 Facilitates the grieving process for client/family	NA	SL	NA	SL
9.08 Uses the techniques of social learning, reality therapy, supportive therapy, behaviour modification, cognitive-behaviourism, and psychotherapy among others to help client deal with his/her health problems	NA	SL	NA	SL
9.09 Facilitates the client to utilize his/her capabilities to his/her maximum potential	NA	SL	NA	SL
9.10 Demonstrates knowledge of basic dynamics of group interaction	NA	SL	NA	SL

9.11 Facilitates in a variety of goal-oriented group settings such as: psychotherapy, re-motivation, social skills, activity, recreational, role-playing and relaxation	NA	✓	NA	✓
9.12 Participates in client/family counseling and therapy	NA	✓	NA	✓
9.12 Provides opportunities for clients to practice new behaviour	NA	✓	NA	✓
		-	-	-
10. Uses Community Resources				
10.01 Seeks Information from other resources for incorporation in assessment and treatment plan	NA	✓	NA	✓
10.02 Demonstrates awareness of the community resources available	NA	✓	NA	✓
10.03 Identifies client's need for assistance from community resources	NA	✓	NA	✓
10.04 Provides client and family with relevant information about community resources	NA	✓	NA	✓
10.05 Initiates referrals to community resources	NA	✓	NA	✓
10.06 Participates with community resources to ensure continuity of services for client	NA	✓	NA	✓
10.07 Assists client to plan treatment program involving community resources where appropriate	NA	✓	NA	✓
