

WMST 101-3 Grade contract

Requirements for a “B” contract:

- Forum contributions often show evidence of thoughtful consideration, reflection, and understanding of the issues. Student sometimes show creativity or innovation when they are exploring solutions.
- A minimum of TWO Guiding Discussion Questions (GDQ) are required for full marks each week. Ensure that each response to each GDQ meets the criteria as outlined in above.
- All weekly participation is posted on Saturday or sooner
- Completes all Major Assignments (averaging at least 80- 89% on each)

In reflecting on my scholastic history my grades seem to be anywhere from 84%-98% I believe I can put in the effort and participation needed to receive at least a high B mark for this course. We have a heavy course load this semester and clinical 2-3 times per week so I think trying for 98% is unrealistic for me as I also work and am a single mother. I hope to receive as close to 90% or above for my grade and will work as hard as I can without burning myself out to get there.

Sincerely
